They're the sexy shots we've all been waiting for!

**W**hen Rosie Jones, Emma Glover, India Reynolds, Stacey Massey and Daisy Watts went on their hols to Egypt, Rosie promised to give us first dibs on their sexy snaps. Then she only went and lost her camera!

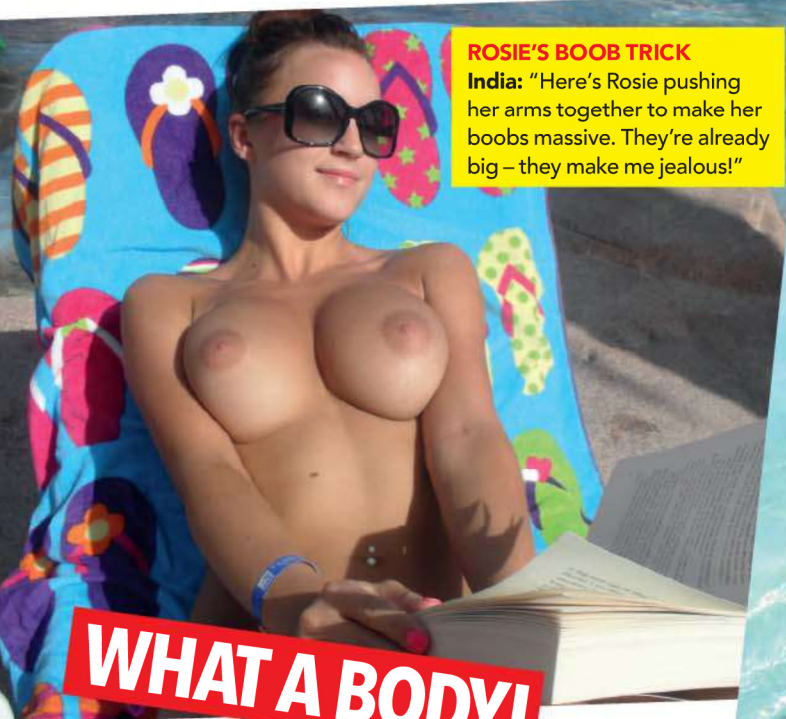

WORDS: RICH JENKINS

Luckily, Rosie called *Nuts* this week to say, "I've got my camera back! I left it in the taxi back from the airport and a kind cab driver found it and returned it to me!"

Gents, let's hear it for cabbies. And more importantly, let's hear it for gorgeous girls on holiday!

# Black Ops First look!

Read the following intel, then wave your missus goodbye!

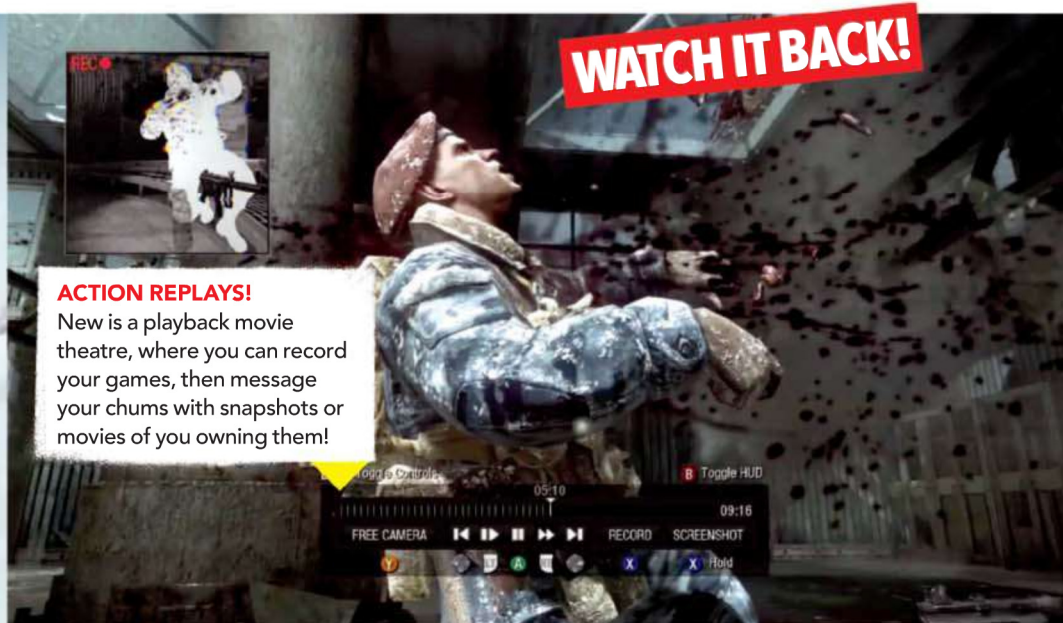

**M**any online *Call Of Duty* assassins see the game's campaign mode as a mere starter to the real meat of their experience – sitting in their pants for days on end, bashing away at multiplayer.

Well, wash your Y-fronts, online campers, for Activision has finally unveiled the first look at *Black Ops*' multiplayer stuff. And as we fervently hoped, it looks life-gobblingly good.

With new weapons, load-outs, kill-streak bonuses and levels, plus a movie theatre mode to play back your kills, this could well boss 2010's shooter roster when it drops on 9 November. We're going to bed right now so there's one less sleep till it's here!

WORDS: RORY BUCKERIDGE

## EXPLODING DARTS!

# £1.6m modified Bugatti Veyron!

Bling, 260mph  
Mansory Linea  
Vincero d'Oro  
will make your  
mouth water!

- Gents, meet the Mansory Linea Vincero d'Oro – an awesome, blinged-up version of the Bugatti Veyron 16.4.
- Having already modified a Veyron back in 2008, Swiss

tuning company Mansory decided to have another stab.

- The £1m Veyron 16.4 is made even more bespoke with

a gold-coloured carbon-fibre finish, which is achieved with a copper thread woven into the carbon fibre!

- The gold vibe continues with a further set of eye-grabbing gold-finished items.
- The grille surround is gold, as is the fuel filler cap and side mirrors.

**8.0-LITRE ENGINE!**

"I told you not to give Midas a lift!"

0-60 IN 2.5 SECS!

- Matching gold wheels are also fitted, along with LED lights.
- The car is powered by a more potent version of the Veyron's standard 8.0-litre quad-turbocharged engine.
- An improved intake system and modified exhaust are fitted.
- Power rises from 1,001bhp to an amazing 1,109bhp!
- The torque figure also grows from 922lb-ft to 966lb-ft.
- That makes the Linea Vincero d'Oro as powerful as a Formula One car and a Porsche 911 put together!
- Final details are yet to be confirmed, but the Linea Vincero d'Oro is expected to top 260mph and sprint from 0-60mph in under 2.5 seconds!
- No price has been announced yet, but it's believed the car will cost around £1.6million!

## A QUICK WORD WITH...

# Yaya Touré

**We talk to the Man City star who pockets £221k a week!**

**H**i Yaya! We hear you're on more than £200,000 a week – how the bejesus are you going to spend that kind of cash? It's natural for people to talk about the money mentioned, but I honestly didn't come to Manchester for financial rewards. I came for the football!

**With the world recession, it's bonkers money, though!** These are big figures but I don't want to focus on it. I know the value of money – not having had a lot growing up – so I don't take it for granted. I'd prefer to talk about the opportunity I've got at City.

**An opportunity to do what?**

To win the biggest trophies in the world. I've always loved the Premier League, so to be here is great. I know we'll be successful!

**Can you win the title this year?**

Naturally, there's a rush for everyone who now watches City – they think we must win every game! But with Man United and Chelsea so strong, we may have to be patient to claim the league.

**What do you make of the rivalry in Manchester?** I know United have been successful and City not so in recent years, but perhaps they'll now think we're a threat.

This must make it exciting for the people of Manchester. Hopefully, more for the ones in blue!

**And you've teamed up with your big brother, Kolo. That must be splendid!** It's a dream! We spoke about me coming to Manchester and we agreed we could help make City one of the great teams of Europe. To do that, though, the new players have to work as a team. Individuals don't win titles!

## Mental money!

Yaya's now the highest-paid player in the world, beating the weekly wages of Cristiano Ronaldo (£217,000), Zlatan Ibrahimovic (£200,000), Lionel Messi and Samuel Eto'o (both £175,000). But not content with a pay packet that's actually higher than the combined weekly earnings of Prem new boys Blackpool, the Ivory Coast star also trousers (tax-free):

- £1.65m a year for image rights
- £832,000 every time City qualify for the Champions League
- £1.2m in total if City actually win the Champions League
- £150,000 if City lift the Premier League trophy

Argh! Not again!  
Why, God, *why?*

**A**vert your eyes, menfolk, for you shouldn't have to behold such tragedy. This is the avalanche of wreckage left behind after a beer truck overturned in Chojnice, Poland, with thousands of bottles of sweet amber nectar on board.

Here at *Nuts*, we'd like to send our sincerest condolences to any bereaved Polish readers, and assure them that we're currently lobbying our own Government to intervene in this catastrophe. Maybe by getting a round in.

# Boozer gets totally wrecked... twice!

## Pub rammed by two cars in 14 days!

**L**ocals at The Anchor Inn, near Chichester, West Sussex, had their drinking session cut short for the second time in a fortnight after a car, driven by a 20-year-old woman, ploughed headlong into their pub.

Another blundering driver had already bashed into the same front wall two weeks earlier after losing control of their car. Just as the pub's owners, Kim and Paul Carver, were getting ready to rebuild, disaster

struck again, leaving them with their heads in their hands and another hefty repair bill!

Fortunately, the pub's revellers were steering clear of the suspect corner when the second car made a dash to the bar, otherwise a *truly* terrible crime would've been committed – namely, the spilling of the heavenly amber nectar!

So, if you're down Chichester way, make sure you pop in for a pint at Britain's unluckiest pub!

## 'My leg was shattered!'

What happens when cars and motorbikes meet!

**B**ack to motorbike smashes this week, and what a belter we have here! Kevin Barratt, from Birmingham, was out for a spin on his bike when a car pulled out blind, leaving him with a rather large portion of his leg missing!

Kevin, 27, tells *Nuts*, "I was coming down a road when a car

pulled out without looking, and I smashed into its side. I went flying over the bonnet and down the street. When I sat up, my right leg was snapped, so I was focusing on that, until my mate pointed at my left one. I looked down at this massive hole and thought, 'Jesus!' You can't see in the photo but all the bones under

the gash are shattered. It looked like a dog had been chewing on a piece of bloody meat!

"The ambulance came and snapped my other leg into place, then took me to hospital. Luckily, they managed to save my left leg and, although I technically died four times in intensive care, I feel lucky to be alive!"

# THE TRUTH ABOUT SEX WITH... **EMMA FRAIN**

*Nuts* girls solve your bedroom bother!

Email questions to [thetruth\\_sex@ipcmedia.com](mailto:thetruth_sex@ipcmedia.com)

**ONLY IN  
Nuts!**

**IN OUR OFFICE!**

## Does it make me look desperate?

My mates make a point of pimping me out to girls because I've had a bit of a dry time, and I think it makes me look desperate. What do you think?

*Adam, Surrey*

It doesn't make you look desperate unless they're doing it to the same group of girls all the time. The bottom line is you'll never meet anyone if you don't put yourself forward rather than letting your mates do it. But it's not desperate, it makes it look like your friends like you!

## Socks are sexy!

When I'm doing it with a lass, it really turns me on if she keeps her socks on. Is that weird?

*Duncan, Bristol*

No, I think girls look sexy in socks, too. You'll notice that I often wear socks on *Nuts* shoots because I think it's quite sexy. I like wearing them – specifically ankle socks – because it makes me feel like a naughty girl!

## Is mirror nookie a bit weird?

I've met this girl and she insists on doing it in front of her full-length mirror. What's up with that? Does she love herself?

*Martin, Nottingham*

I don't think she loves herself. A lot of girls get turned on by watching themselves having sex. I've done it a couple of times myself! I wouldn't do it every time, but now and again it's really sexy and maybe it does something for your new lady.

## Nuts BABES' SEX TIPS!

**No.25:** "A candlelit bath with a glass of red wine and a lot of fuss is sure to get any girl in the mood!" **Chenade**

## Why are cuffs such a turn-on?

What's the appeal of being handcuffed to the bed? The girl you're with could nick your stuff!

*Mark, London*

Are you sure you're seeing the right people? The point is, it's a bit exciting. There's a bit of frisson there because she's in control. Only take nice girls home if you're worried you'll be robbed, but most guys like letting the girls take command.

**NEXT TIME: INDIA REYNOLDS ANSWERS YOUR LETTERS!**

**"Lots of girls like to watch themselves having sex!"**

## The movie icon on cleaning lion cages, his new flick and breaking his neck on set!

**H**i Sly! Your new movie, *The Expendables*, is full of old-school action stars. Did anybody turn you down? Yeah, but only two – Steven Seagal [who'd committed to making *Machete*] and Jean-Claude Van Damme [who, it's reported, claimed he was given no details about his character]. In the movie, you've got [deep breath] Jason Statham, Jet Li, Dolph Lundgren, UFC legend Randy Couture, "Stone Cold" Steve Austin and Mickey Rourke! Is it true you rewrote the script each time another actor joined? Each one had his own distinct personality that needed to be served. I did about a hundred drafts of the script! There's so much action, but there's a poignancy, too. If it's just about muscles and bullets, it's pretty limited. There are comedy elements and that's hard. These guys were terrified of comedy! You've also got Arnie and Bruce Willis in it. What was it like on set? Great fun. We're old friends. The scene with the three of us is about five minutes long, which is pretty impressive considering we only had them for one day. Then Bruce had to go off to Istanbul and Arnold had to go back and do governmental stuff! Didn't you break your neck during filming? Yeah, it was a fight scene with Steve Austin. I told him to crack me as hard as he could. It snapped my head back and cracked my neck. They had to put some cadaver bones in, so I have ghosts in my neck. That plate goes off every time I go through airport security! We once heard you busted yourself up trying to fly as a child. Is that true? Oh yes, I was an ambitious child but I tended to be scatterbrained. If I was at

school and saw a bird outside the window, I wanted to follow it. I was adventurous. I was in fantasy land and once I jumped off a roof, thinking I could fly, and broke my collarbone!

**Were you picked on as a kid?**

**Sylvester isn't a very tough name...** I changed school 14 times, so there wasn't much time to develop friendships. But yes, kids made fun of my name. I used to call myself Mickey!

**You haven't always been a famous actor bloke.**

**What's the worst job you've had?** I've cleaned lion cages

at the zoo, delivered fish and been a theatre usher!

**Of your films, what are your favourites?** *Rocky*'s

still my favourite. It stands the test of time and I gave my purest performance. I also like *Paradise Alley* because it was the first movie I directed, and I loved *First Blood*. And *Cliffhanger*! I'm also really happy with *The Expendables*. Most action films are a one-man show, but this has a lot of heart.

**You've also made some pretty bad movies.** Yeah, I've made some truly awful ones! *Stop! Or My Mom Will Shoot* was the worst. If you ever want someone to confess to murder, just make him or her sit through that film! **Really? We thought *Rocky V* was pretty shocking.** What can I tell you? I'm greedy! It was a mistake because the audience didn't want to see the downside of *Rocky*. They wanted him to remain on top. I should've known that.

**You're not in bad shape for a 64-year-old. Have you always looked like this?** Not as a boy! I was scrappy, my mouth went to one side and I had a speech impediment. Between me and a bulldog, you'd say the bulldog was cuter!

**So you won't be retiring any time soon then?** No! I still feel good physically and I'm in shape. The day I can't walk is the day I quit movies. I'm pursuing happiness, even if it makes the people around me unhappy! ■

*The Expendables* is at cinemas from 19 August

# 'I'm a sex addict!'

## **Nuts meets Paul Halliday, a young man who claims to have slept with 3,000 women!**

**P**aul Halliday is single, 27, from Gravesend, and lives at home with his parents. Nothing out of the ordinary there. But Paul has a problem. A big problem. He's a sex addict who can't go longer than three days without doing the dirty deed. Here, *Nuts* catches up with Paul to find out if having so much sex is really as much fun as it sounds!

**Hi Paul! Exactly how big is your sex drive?** I think of sex every second of every day. I go to sleep thinking about sex, I dream about sex and I wake up thinking about sex. I'm always looking for the next girl to go home with. I'll never excel at anything other than sex, as I just can't concentrate on anything else for long.

**When do you think your addiction started?** I lost my virginity just before my 14th

birthday with a girl called Sarah. We slept together four days after meeting and went out for a year. As soon as I lost my virginity, I wondered what else was out there and became a serial sh\*gger. Sarah was my last serious girlfriend.

**So you always knew you were a bit different?** Not at first. When I was younger, I thought everybody else couldn't keep up and I was the normal one. I was about 16 when I realised I had an abnormally high sex drive. By the time I was legal, I'd slept with about 200 girls.

**How many women do you sleep with a week now?** I go on a bender every Thursday, Friday and Saturday, and will usually sleep with different women on those nights. And during the week, my mate and I go to random places in the hope of pulling. We just know we're always guaranteed new talent in different areas.

**What's the longest you've gone without sex?** When I was 17, I caught an STD, which put me out of action for six weeks. Other than that, it's been four days. I started to feel really depressed and run-down. My whole body felt like it was shutting down. I was like, 'If I don't have sex, I'm going to get ill or die!'

**What's your secret?** I've got a good sense of humour and can make girls laugh. As you get older, you realise the chat

is important. Me and my best mate, Dan, are a bit of a double act. When we're out together, we're guaranteed to pull. He's fat and ginger, though, so he always has my scraps!

**Do women know what you're like before you sleep with them?** I'm pretty honest. I may be a womaniser but I'm still friends with many women I've slept with. The population of Gravesend is only 57,000, so I've often walked into a bar where there'll be ten women I've sh\*gged. If I wasn't a nice chap, I wouldn't still be alive!

**What are the most random places you've had sex?** In the toilets of an art gallery, on a bouncy castle, in a hammock on the beach, on a train, in my front garden...

**What's the most girls you've bedded in one day?** Six, when I was 24. I had my parents' gaff to myself and wanted to make the most of it. In the day, I bedded four women, then I went out and brought two girls home for a threesome.

**Tell us about your first threesome.** Actually, it was a foursome. When we were 19, me and Dan got chatting to these identical twins in the pub one night. They both had gigantic knockers! They invited us back to their flat, we started playing drinking games and snogging, and it went from there. Basically, it was just one big fumble.

Although we did try a spit roast, which was fun. I'd never heard my mate's sex noises before, so I kept laughing, which I guess wasn't very appropriate! I've had about 15 threesomes.

**Of the women you've slept with, how many would you rate as stunning, how many would you rate as fit, how many were rough and how many looked like a pitbull licking p\*ss off a thistle?** I've slept with a good 400 models and they were all pretty fit. Well, when I say models, I mean glamour rather than super. But I'd say: Stunning – 50 per cent; Fit – 43 per cent; Rough – six per cent; Pitbull licking p\*ss off a thistle – one per cent.

**How old have you gone?** About 20 per cent of the women I've sh\*gged were cougars. The oldest was 47, when I was 26. When I was a wee boy aged 15, I slept with a 38-year-old, but she didn't know how old I was. I ran off when I found out her daughter was the same age as me!

**Have you tried to stop your addiction to sex?** When I was 21, I went through a stage of wanting a serious girlfriend, but I knew my sex drive was getting in the way of this. I even considered getting my d\*ck pierced, as I thought it might slow me down a bit!

**Paul Halliday**

**Sex addict**

**Age: 27**

**Have you ever been dumped because of your addiction?**

Yes, it's pretty much always the reason. Most women just don't want sex five times a day!

**What's been your longest relationship?** After my first one when I was 17, I had seven months during 2006 with a girl called Danni, which was pretty good as I only cheated on her once. At the start, we were at it five times a day and I thought I'd struck gold. But after five months, when we should've still been in the honeymoon phase, she only wanted it about five times a week. It had to end.

**Have you ever had to tell a woman how many ladies you've slept with – and told the truth?** The reaction's bad enough when I say I've slept with 100 girls! So I always lie. **Do you watch loads of porn?** I was obsessed with it when I was younger, but the bubble burst when I was about 16. I prefer the real deal. I only watch porn sometimes now when I have a w\*nk.

**Thanks, Paul! Finally, do you think you'll ever have a "normal" relationship that isn't just about sex?** I hope so. I'd love kids. I know when that time comes, I'll have to make compromises and change my lifestyle. But I've not found a woman yet who can keep up with me. I just hope that'll change one day! ■

Sophie! →

Kelly! →

Behold  
- it's an  
11-page  
tribute  
to the  
bustiest  
babes in  
Britain!  
Oh, yes!

**Y**ou may have guessed already, but we're massive fans of big boobs here at *Nuts* mag. So, in celebration of our admiration of all things breast, we got together five of our favourite pairs as a reminder of why we love big boobies as much as we do. Ladies, it's over to you! ➔

**WHEN BOOBS ARE BIG!**

**“ALL GIRLS FONDLE  
THEIR BOOBS!”**

# HOLLY PEERS!

**H**i Holly! Congrats on having such wonderful boobs! What's

**your secret?** It's just luck!

I certainly don't do any special exercises – if you do too much of that, you can lose them.

That's my excuse for never going to the gym, anyway!

**Have you got nicknames for your boobs?** No. I think it's a bit daft when girls name their boobs or blokes name their willy. It makes them less sexy!

**Have your boobs ever popped out of your clothes by accident?** It's happened a lot when I've worn a bikini on holiday but I'm wary of it now, so I keep them under control!

**Have you ever wanted smaller boobs?** No. If they ever get smaller or start drooping, I'll get a boob job. Emma Glover's boob job is the best thing ever. I can't stop staring at her bust when we shoot together!

**Is it true that all the models feel each other's boobs on shoots?** I don't go around squeezing other girls' boobs, but I get mine felt by the other models from time to time!

**Do you ever give your boobs a little fondle when you're not thinking about it?** Yeah, I think all girls do that! Not in a provocative way – just because they're there. If I'm on the phone or something, I tend to have a little stroke.

**How can you make boobs even sexier?** I think it's mainly about what you wear. A nice, colourful balcony bra gives you a brilliant cleavage and makes boobs look their best.

**Finally, if you could swap boobs with anyone, who would it be?** Nobody. I'm happy with what I've got. If I wasn't, I wouldn't be here! ➔

# SOPHIE HOWARD!

WHEN BOOBS ARE BIG!

**H**i Sophie! Tell us a funny story involving your boobs. I was

wearing a low-cut top in the bank once, and the lad behind the counter, who was about 19, couldn't take his eyes off them. I had to tap on the little microphone and say, "The transaction's taking place up here!" He went bright red!

**What can you do with your boobs that might surprise *Nuts* readers?** I can make them look quite small if I want.

If I wear a big jumper and flatten them down a bit, you can't tell how huge they are!

**How often do you spill out?**

All the time! I think it'd be easier if I just walked around with them out to save myself the embarrassment. The worst culprits are bikini tops – they're basically pointless, which is why I sunbathe topless when I'm on holiday.

**What's the sexiest thing you can do with your boobs?**

Something that's far too rude to print in *Nuts*! Let's just say that bigger is definitely better in certain situations.

**Why are big boobs so awesome?** You can squeeze them – they're a bit like stress balls! I spend a lot of time casually stroking mine. It's no wonder I get so many funny looks in the street!

**Who has the most perfect boobs you've ever seen and why?** Sophie Reade's are pretty amazing. Obviously, she's had a boob job, so they should be good. But they're so big and I love big boobs!

**Finally, whose boobs would you most like to see?** Katy Perry's, definitely. They look absolutely amazing when she's clothed and she's been teasing us with them for bloody ages.

It's about time she just got them out and let all the guys and girls have a good look! ➔

**WHEN BOOBS ARE BIG!**

# SEREN GIBSON!

**H**i Seren! You're Welsh and have big boobs – is there some sort

of Welsh secret to having big boobs that you're keeping from all of us? No! Although there are loads of Welsh beauties with big boobs out there. Maybe I should make up a really weird regime for making your boobs bigger and see if anyone follows it!

**Do your boobs have any special talents?** When I was younger, they had a talent for getting me into trouble! But in my school yearbook, they dedicated a whole section to my boobs, so that was nice.

**What's the sexiest thing you can do with your boobs?** I like using them in the bedroom, if you know what I mean!

**Why are big boobs so great?** Because everyone loves them! Blokes love staring at them and girls love having a cheeky squeeze. I don't know why girls think it's OK to come up to me and grab my boobs. I'm not complaining but I wouldn't be happy if a bloke did it!

**Do you have nicknames for your boobs?** No, but one of my friends has called hers Chas and Dave. I don't think that would be very sexy in the bedroom, would it? "Go on, give Chas a lick!" Ha-ha!

**Tell us a funny story about your boobs.** I was in America recently and I met this old couple who were obsessed with them. The woman had had loads of plastic surgery and she kept saying, "Oh my gawd, can you believe these things?" to her husband. I was like, "I'm standing right here!"

**Finally, what makes a perfect pair of boobs?** I like boobs to be pert and almost pointing upwards. Luckily, mine do that and they happen to be massive as well! I just hope it lasts! ➡

# KATIE-MARIE CORK!

**H**i Katie-Marie! What uses are there for big boobs? I hold my drinks in mine! I used to go to this club that did three WKD bottles for £5. But I can't hold three drinks in two hands, so I had one in each hand and one down my cleavage! **And how about sexy uses?** Men tend to like it when you bounce up and down and your boobs bounce with you. I don't know why, because it's not very flattering for the girl! **How did your boobs get so big?** No idea! My nickname at school was Flat Eric because I had no boobs. Then one day, I woke up and they were there, so I had the last laugh!

**Have you ever knocked anything over with your boobs?** No, but I always get them in my dinner, so I leave the table with gravy on my boobs! It's nice for dessert, though! **Finally, are you taking your boobs on holiday this year?** No, I've just bought a house, so I'm saving my pennies. It's great being able to go back to my own place and not have to obey anyone else's rules! **Nice. Have you done the deed in every room yet?** I've only had it for nine months and it's like a building site at the moment. If I tried to have sex in every room, I'd probably end up with a claw hammer up my bum or something. It wouldn't be pleasant! ➡

# KELLY ANDREWS!

**H**i Kelly! You're quite new to *Nuts*. How would you introduce

yourself to the readers? Big boobs, big bum! That's about it! I also like to have fun and I get along with everyone.

**Do you ever get envious of other girls' boobs?** Yeah, Rhian Sugden has massive, perky boobs. I want to squeeze them whenever I see her!

**What makes a pair of really good boobs?** It doesn't matter how big they are, as long as they're a good handful and they pass the squeeze test. The squeeze test says it all!

**What's the squeeze test?**

It's pretty simple – you just squeeze someone's boobs and if they feel nice, they pass! That's the type of thing that goes on at *Nuts* shoots – everyone has a little feel.

**If you could swap boobs with anyone, who would it be?**

Rhian or Sophie Howard. Sophie has massive melons! Although, if I had her boobs, I might not be able to stand up because they're so big!

**Do you think your boobs suit your personality?** Yeah. Mine are bubbly and fun – like me!

**How did yours get so big? Did you have to do any exercises or were you just lucky?** It was really weird – when I started high school, I had a little pair. Then every year, they just kept going up a cup size. I thought they were never going to stop!

**How do big boobs help out in the bedroom?** I'm sure a lot of *Nuts* readers can put their imagination to the test there! Big boobs can be used in lots and lots of different ways!

**Finally, do you have any weird boob habits?** Yeah – when I moisturise my boobs, I always have to start with the right one and do a certain number of strokes on each boob. And I never let anyone else do it! ■

LEAPING ABOUT LIKE LOONS, EVERY WEEK!

## Martin O'Neill's maddest moments!

The reasons we love the former Villa boss!

**A**ccording to reports, Aston Villa players were texting photos of champagne bottles to each other last week upon hearing the news that Martin O'Neill had resigned, ending a four-year tenure at Villa Park.

Well, the players might not miss him but we think the Irish gaffer's magic, mainly because he's loopier than a lagered-up chimp in a stunt plane.

Wherever he heads next, you know it won't be quiet. Here are just some of the reasons why!

**HE'S A BIT NUTS!**

**ENFORCER!**

"And that's for having a double-barrelled name!"

### HE FIGHTS HIS PLAYERS!

Last year, Villa captain Nigel Reo-Coker was dropped from the squad after a training ground "incident" in which he had a fist fight with O'Neill.

54 Nuts

"Aw, are you sure they weren't shouting, 'Ginger winner'?"

### HE'S A SCARY FELLA!

Neil Lennon said of his former Celtic and Leicester boss, "He's the only guy in whose company I feel uncomfortable. You never know how he's going to react!"

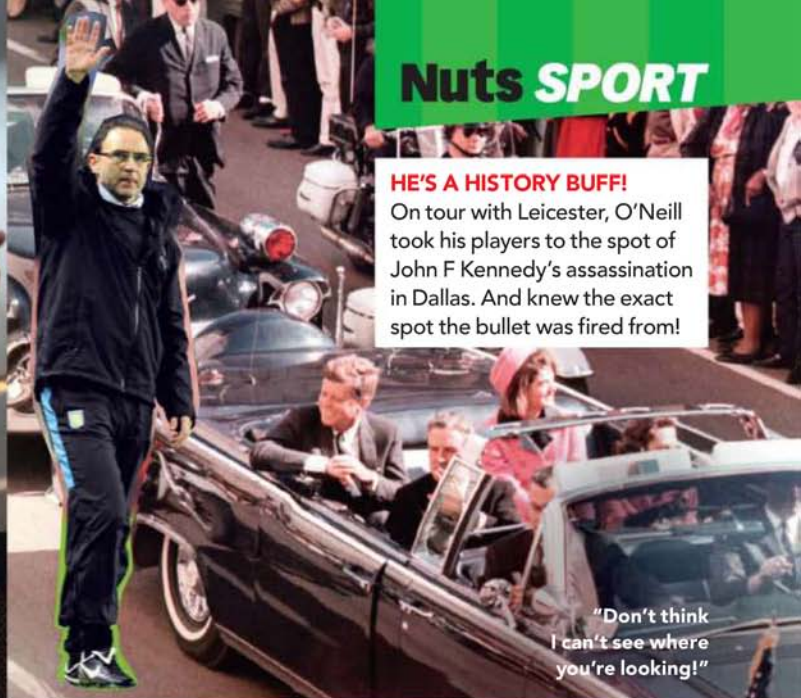

"Spiderrrrrr!"

TEXT IN HERE!

#### HE'S WON'T WEAR SUITS!

O'Neill has a very strict policy on what he will and won't wear when he's on the touchline jumping around. Sorry, suit makers, it's casual all the way!

## Nuts SPORT

#### HE'S A HISTORY BUFF!

On tour with Leicester, O'Neill took his players to the spot of John F Kennedy's assassination in Dallas. And knew the exact spot the bullet was fired from!

"Don't think I can't see where you're looking!"

"Argh, who left that upturned plug there?"

#### HE WON'T WEAR SUITS!

O'Neill has a very strict policy on what he will and won't wear when he's on the touchline jumping around. Sorry, suit makers, it's casual all the way!

## CRAZIES FAN!

"Sorry, officer, someone genuinely told me it's legal for me to p'ss in your hat!"

#### HE LIKES NUTTERS!

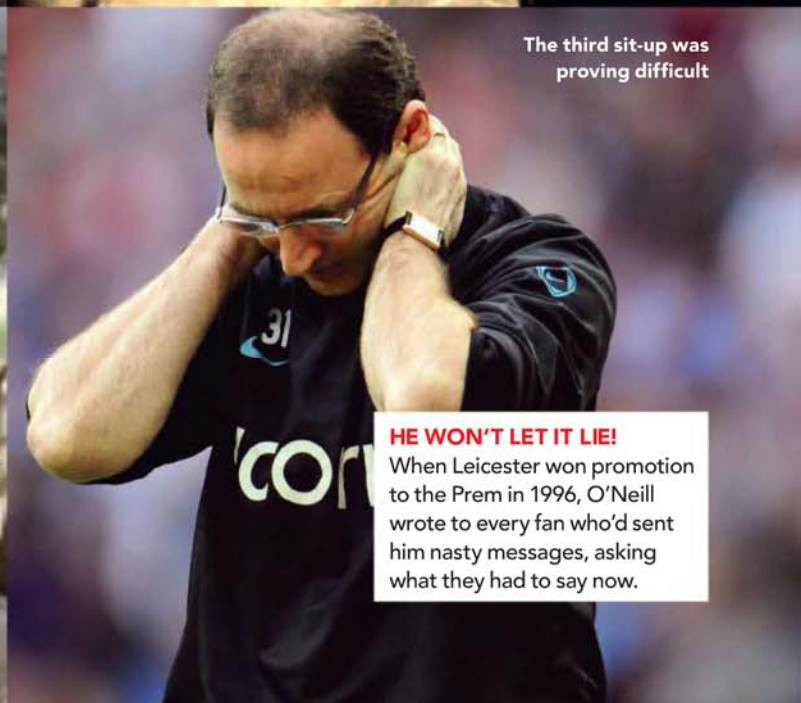

As well as taking his staff to the home of Yorkshire Ripper Peter Sutcliffe, O'Neill took his wife to the trial and queued to make sure they got a seat. Romantic!

"His name's Randy! How do you not find that funny?"

#### HE'S RUDE TO POP STARS!

During a BBC TV interview, O'Neill said to Robbie Williams, "I thought you'd struggle after Take That, as you can't write and you can't play the guitar!"

The third sit-up was proving difficult

#### HE WON'T LET IT LIE!

When Leicester won promotion to the Prem in 1996, O'Neill wrote to every fan who'd sent him nasty messages, asking what they had to say now.

## There was no need to call time on Becks!

**A**s a diversionary tactic by Fabio Capello to take the attention away from him and his England squad, it was a harsh one. Calling time on David Beckham's England career without telling him was cruel, to say the least, and one of the side's most loyal servants for the last 13 years deserved better.

**"After years as a loyal servant, he deserved better"**

We all doubted that Becks would play for his country again, especially after the clamour for Fabio to pick younger players following the World Cup disaster, but there's no way on earth a pre-match interview should be used to get rid of a man who's done so much for the game worldwide.

I was at the match against Hungary and I have to say it was tremendous to see so many people come out and support the side, despite everything that's happened – it shows we have the best fans in the world!

I thought the match showed promise, with some good performances from the new faces and youngsters Capello had to bring in. And finally, we saw what Stevie Gerrard can do when he's played behind a main striker, the Liverpool man responding with two goals.

However, if England don't win their next game – the qualifier against Bulgaria – I believe the FA will be after a new boss. And that might not be a bad thing!

By the way, you can follow me on Twitter now! I'm at [twitter.com/chris\\_kammy](https://twitter.com/chris_kammy). Cheers!

But it was unforgivable for the boss to hide away and not go into the technical area once. Whoever advised him to avoid the boos is out of order.

**ASK KAMMY!**

Hi Kammy!

Having seen both sides in action now, do you think Chelsea and Man United have made the right signings in order to continue their dominance this season?

John J, Sheffield

They haven't signed anyone at all, have they? Ha-ha! Only joking! I think they'll still be the top two, but there's a lot of transfer poker being played at the moment, and the last few days of the window will be hectic. I think there'll be a few more big names coming in yet!

Zip-wiring in for his home debut was a bit OTT

We poured this advice into a *Nuts* man's head and sent him online to try to win!

## Deal or No Deal top tips!

**D**eal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one recent winner walked off with £1.4m!

And best of all? You can win big money in the comfort of your own home!

### HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

### THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

### DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

### Joleigh on... her diet!

"I don't eat anything healthy. I live off McDonald's, sweets and crisps. I hate exercising – it's too much like hard work and it bores me to death!"

### Joleigh on... being brunette!

"Brunettes are definitely more mysterious. I'm normally quite quiet, but after a few drinks I'm wild! You'd better watch out for me on a night out. Ha-ha!"

### Joleigh on... sleeping!

"I sleep a lot and if I don't get enough, I'm very, very grumpy! I don't usually see the morning. If it's cold, I like a cuddle but if it's hot, I prefer to be cool."

**HELLO!**

### Joleigh on... her boobs!

"I'm a 32E. I always wanted big boobs when I was younger, and they just grew! I like to show off my cleavage. Being bigger than my mates, I tend to stand out!"

### Joleigh on... her undies!

"I love buying underwear. Nice undies set you up for the day. If a bus hits you, you'll be all right! I don't always match. Often, I'll just throw on what I see first!"

"After 15 squats, my

### Joleigh on... her body!

### Joleigh on... bath time!

STORIES!**

## TO OUR SECRETARY!

**IT'S LOU!**

**CONFESSION OF THE WEEK!**

### 'She gave me a private dance'

One Friday night, I was out with my gay mate and she suggested going to a club. It was packed and this hot girl was working some moves on the podium. I couldn't take my eyes off her and she winked at me. When she finished, she headed for the toilets and beckoned me to follow her. As soon as I walked in, she dragged me into a cubicle. Stepping onto the loo seat, she gave me a sexy private dance, before hitching up her dress and playing with herself. Just as I was about to pleasure her, there was a bang on the door. Our fun was over – but I plan to go back another time!

*Sasha, London*

### 'His hand went up my dress'

Last weekend, I went to a "picnic on the pitch" at my local cricket club. This really hot guy caught my eye and after a couple of glasses of wine, I plucked up the

courage to go and talk to him. The sexual chemistry between us was obvious and before long, we were grinding up against each other to the music. At the end of the night, we called a taxi to take us home. When the car turned up, I opened the back door and noticed that the driver had some

papers on the seat. I bent over to move them and as I did, I glanced over my shoulder and gave my new man a wink. I suddenly felt his hand up my dress and his fingers finding their way into my thong. I gasped as he pleased me, mumbling to the taxi driver that I needed a moment as I was feeling sick. We carried on the action at home and the next day, we learnt that the cricket club has CCTV cameras in the car park. I just hope no one saw my fella giving me that cheeky feel!

*Jesse, Watford*

### 'He gave me amazing oral'

My back was killing me, so I went to the new osteopath surgery at the end of my road. As I was filling out a form in the waiting room, the door opened and in walked the osteopath. He turned out to be a guy I'd gone to school with. Back then, he'd been a geek but he was looking fit now! After a bit of polite chit-chat, he invited me into his office and asked me to lie on the couch. As he leaned over me, I could feel his breath on my neck and I really wanted him naked on top of me. He rubbed my back, then my hamstrings, explaining they were tight and that I should try to stretch them more. As his hand rested on my thigh, I grabbed it and guided it up and down. He knew what I wanted and before long, his fingers were rubbing between my legs. I turned over and pulled him towards me. He kissed my neck,

telling me he didn't normally do this. But I couldn't bring myself to stop him and the next thing I knew, my knickers were round my ankles and he was giving me the most amazing oral sex. My back felt better the next day, too!

*Polly, via email*

### 'His swollen tip drove me wild'

I'm not averse to trying new ways of dating, so I uploaded my details to a website and was soon inundated with pics from men. As I browsed through them, a really hot fireman from Brighton caught my eye. After flirting for a few weeks, he invited me to join him in a private webcam chat. The conversation soon got steamy and before long, we were both stripped down to our underwear. At this point, my "date" moved the webcam down to show me his impressive hard-on. After rubbing his shaft up and down, he moved it right up to the camera so I could see the swollen tip of his manhood. This drove me wild, so I sat back and drove my sticky fingers deep inside me. He climaxed soon after and before long, I was shuddering, too. I'm now a webcam sex addict!

*Amanda, Sussex*

# RACE FOR EUROPE!

## Man City vs Liverpool

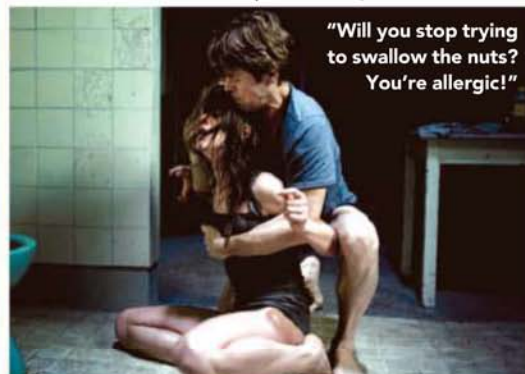

Sky Sports 1, 7pm

**SPORT** After blowing the equivalent of Simon Cowell's weekly wages on Yaya Touré and David Villa, it's time to see if City can live up to the hype. With Roy Hodgson on board to settle the good ship Liverpool, this is sure to be a riveting encounter between two teams desperate to show their fans what they're capable of. The Reds haven't lost in ten clashes with City, so a win tonight will be a great result for Mr Mancini. ★★★★★

## Dragons' Den BBC2, 9pm

**REALITY** Hopeful, and sometimes desperate, entrepreneurs throw themselves at the mercy of the Dragons, praying for a bit of cash. Tonight's show includes a weird dog crèche and a remote control in the shape of a magic wand. ★★★★★

## Antichrist Sky Movies Premiere, 12.30am

**FILM** Willem Dafoe retreats to a cabin in some spooky woods, where his wife goes mental in a nasty horror that makes the Hostel flicks look tame. Porn actors and prosthetics were used for gruesome close-ups. You have been warned! ★★★★★

## Chuck Virgin1, 9pm

**DRAMA** Shaw teams up with Chuck and Sarah in an effort to find The Director – head of major spy organisation The Ring and supposedly behind the killing of Shaw's wife. We're going to go out on a limb and say he's a bit of a wrong 'un! ★★

## TODAY'S MUST-SEES

END OF AN ERA!

Charlie's Angels just  
wasn't the same  
with a bloke in it

### Big Brother: The Final

Channel 4, 8pm

**REALITY**

With more  
contestants  
than we care to count, this  
year's BB has featured totty,  
arguing, incredible tasks and  
classic moments like Andrew  
the geek admitting to having  
had sex with a watermelon.  
In one final twist, this year's  
winner will remain in the house  
for *Ultimate Big Brother*, with  
former contestants returning  
to the house in a bid to become  
the ultimate BB champion.  
Brian Belo to win! ★★★★★

Marge worried about  
Homer and Spider Pig's  
growing relationship

### The Simpsons Movie

Film4, 7.10pm

**FILM** What's better than an episode of *The  
Simpsons*? One that's three times longer!  
Homer pollutes Lake Springfield, befriends a pig  
and becomes public enemy number one! ★★★★★

At least the crew  
could tune into the  
*Big Brother* final

### The Deep

BBC1, 9pm

**DRAMA** They've suffered a dangerously low  
air supply and an overheating nuclear  
reactor, and tonight, the submarine crew face being  
killed by the Russians! Well, if they will insist on playing  
their trade thousands of feet underwater... ★★★

"Can anyone show us the way  
to the '40s fancy-dress party?"

### A Town Called Eureka

Syfy, 8pm

**DRAMA**

Jack Carter is the local lawman in a  
secret government-funded town where  
all the residents are geniuses. Back for a new series,  
it's like *Fringe* meets *The X-Files*, but silly. ★★★

"God, you're such  
a backseat driver!"

### Evan Almighty

ITV2, 10pm

**FILM**

Really silly but amusing sequel that has  
Steve Carell doing God's bidding, after  
the big man (Morgan Freeman) commands him to  
build an ark. At the time of its release, *Evan Almighty*  
was the most expensive comedy ever made! ★★★

## TODAY'S MUST-SEES

"If anyone asks if I was in that Citroën ad again..."

## Transformers: Revenge Of The Fallen

Sky Movies Premiere/HD, 8pm

**FILM** Move over, Megatron, as there's an even bigger threat on the horizon – a massive, apocalyptic robot called The Fallen, who plans to wreak havoc on earth unless Sam Witwicky (the hero of the first film) can stop him. Other than that basic premise, we've no idea what's going on, except that Megan Fox is sex on a stick and there are lots of explosions. Hurrah! ★★★★★

## THE ROBOTS RETURN!

"I know a good game. Ever played doctors and nurses?"

## Adventureland

Sky Movies Premiere, 6pm

**FILM** Laugh-out-loud comedy from the director of *Superbad* that follows a bunch of geeks doing crap jobs at an amusement park in the '80s. Lots of potty-mouthed madness and cool one-liners. ★★★★★

Eva wasn't falling for the old "arm around" manoeuvre

## Cleaner

Five USA, 10pm

**FILM** Decent thriller in which Samuel L Jackson plays a crime-scene cleaner who's so good at tidying away blown-out brains and the like, you'd never know someone's head had imploded in the first place. But maybe he's a bit too good at his job... ★★★★★

Robbie's team-mates weren't impressed with his goal celebration

## Spurs vs Young Boys

ITV1, 7.30pm

**SPORT** Harry Redknapp's boys (who aren't that young) have the chance to make it into the Champions League for the first time in their history. They just need to beat these Swiss minnows... ★★★★★

"I don't have an apple, sir. Will this do?"

## Californication

Fiver, 11.15pm

**DRAMA** When Hank's daughter visits her mum in New York for the weekend, the hard-living novelist's left on his own, until an old pal turns up. So the pair do what every self-respecting bloke would give such an opportunity – party! ★★★★★

## TODAY'S MUST-SEES

### Lie To Me

Sky1/HD, 9pm

#### DRAMA

Tim Roth plays Dr Cal Lightman, a scientist who knows when people are lying just by looking at them. He's been keeping tabs on his partner and best mate Gillian's new fella, Burns – which is just as well because while Lightman's trailing the questionable boyfriend, he's bungled in the back of a van. The boyfriend reckons he's an undercover agent (yeah, that's what we all tell the girls, too!) but Cal has his own suspicions, and it's up to him and the team to save Burns. ★★ ★

### England vs Pakistan

Sky Sports 1/HD, 10.30am

#### SPORT

The fourth and final Test at Lord's sees England leading Pakistan in the series – but there's more at stake than that. A spot on this winter's Ashes tour is up for grabs! Ooh, tense! ★★ ★

### Important Things With Demetri Martin

E4, 11.25pm

#### COMEDY

Demetri combines animation, live performances and sketches to answer any question he's decided to tackle this week! ★★ ★

### The Real Hustle: Celebrity Scammers

BBC3, 10.30pm

#### DOCU

The team, including lovely Jessica-Jane Clement, con more people. If Jessica-Jane scammed us, we'd be putty in her hands! ★★ ★

**The Lottery Winners win Live and Unsigned 2010**

**Live and Unsigned**

The Festival played host to an eclectic mix of artists, with four genre categories performing throughout the day including Rock, Indie, Alternative and Pop/Acoustic/Urban. Category winners included rock band Underline The Sky [www.myspace.com/underlinesky](http://www.myspace.com/underlinesky) who won Road To V last year, acoustic act Sam Garrett and alternative group We Beat The System. But the judges, alongside an energised audience, voted indie band The Lottery Winners as the overall winner. Title sponsors Marshall [www.marshallamps.com](http://www.marshallamps.com) supported unsigned acts this year by awarding bands with equipment and prizes throughout the competition. Development opportunities were also awarded to acts by ICMP [www.icmp.co.uk](http://www.icmp.co.uk) and there were festival slots up for grabs too.

The winners package includes a management and recording contract, development of a clothing brand with Extreme Clothing, publicity package and UK tour. The Rock winners will also be flown out to India to play and compete at the biggest festival in Asia and represent the UK with a chance to win a \$30,000 prize!

Live and Unsigned has cemented its place on the UK music scene as the largest unsigned music competition for under the radar original artists. The competition's popularity comes from its reputation for encouraging originality and it's open to all unsigned acts regardless of genre, so it's got something for everyone!

Over 10,000 acts entered the competition this year, and the Grand Final saw the cream of the UK's unsigned talent showcase their music in front of thousands of audience members and the judging panel which included Slade's legendary front man Noddy Holder, Radio 1's Annie Nightingale, Kerrang's Alex Baker and PRB star Shola Ama.

Live and Unsigned 2011 auditions begin again in January 2011 and will be travelling across the UK. For more information on Live and Unsigned go to [www.LiveandUnsigned.UK.com](http://www.LiveandUnsigned.UK.com) and you can check out The Lottery Winners at: [www.myspace.com/thelotterywinnersmusic](http://www.myspace.com/thelotterywinnersmusic)
